

# Louisiana – Mississippi District LWML

Dear Sisters and Brothers in Christ,

**Now is the time to submit district mission grant proposals for the next LWML LA-MS District biennium of 2024-2026.** The LA-MS District is currently funding seven district mission grants, totaling \$30,000 for our 2022-2024 biennium. The grants are funded through the giving of Mite Box offerings. The district will elect new mission grants at 41<sup>st</sup> LA-MS District LWML Convention to be held **next April 26-28, 2024** in Shreveport, LA.

**The deadline for accepting mission grant proposals is August 31, 2023 -- *no proposals will be accepted after that date.*** The grant proposal must be ‘mission’ in emphasis – extending the ministry of the Word. At the present time, mission grant proposals must be limited to \$5,000. The grant proposal needs to be written in **resolution format**. You must also complete an **information form**. These forms and detailed instructions on completing them are found on our district website... [www.lwml-lams.org](http://www.lwml-lams.org)

**The Information Form and the Resolutions Form must be in my hands by August 31<sup>st</sup> 2023.** You may send them through the post or through email. I will report back to you when I have received your proposal – if you do not hear from me, assume that I have NOT received it.

On our district website you will also find a list of our mission grants from both the past and the present biennium to use in understanding what type of grants we have funded in the past.

Thank you for your immediate attention to this request. If you have any questions, please feel free to contact me and our committee. May the Lord bless and guide you in your mission and ministry of the Gospel.

Joyful in His Service,  
Sue McAdams
